## CMH PARENT INFORMATION

Dear Parent,

Thank you very much for joining CMH Heli-Skiing for what we hope will be your best family ski vacation ever. Because there will be so much going on at the beginning of your week, and everyone will be excited, we are sending you a note to re-confirm three important points:

1. Parents are required to ski in the same group as their children. This means that it will not be possible for you to go in early during the day and leave your children out skiing. You are welcome to stay out and ski if your children go in early and you want to keep skiing.
2. We require a paper waiver with 2 parental signatures on it for each child. The original waiver must be mailed into our Banff office at least 2 weeks prior to the trip start. You can find the link for the waiver [here](#) in the light blue box marked "Waivers for Minors".
3. Also, please provide the following information for your child (children):

**Child Name:** \_\_\_\_\_ **Date of Birth (yy/mm/dd):** \_\_\_\_\_

**Height:** \_\_\_\_\_ **Weight:** \_\_\_\_\_ **Boot Size:** \_\_\_\_\_ **Length of Ski at Home:** \_\_\_\_\_

CMH will provide children with skis, but if you would like to bring your child's skis you are welcome to do so. Please remember that you must bring comfortable ski boots from home for your child.

**Please let us know if you have any concerns or questions. We look forward to skiing with you and your family!**
